

## **Research Assistant**

The Joint Center for Housing Studies of Harvard University is seeking a full-time Research Assistant to conduct economic and demographic research related to housing, home improvement markets, and financial services and mortgage markets.

Requirements include a bachelor's degree in economics with 2+ years of research experience or graduate study in economics, public policy, urban planning, or related field, as well as strong working knowledge of statistical software packages such as Stata, SAS or SPSS. Of course, interest in housing and/or demography is strongly preferred.

To learn more about this job opportunity and to apply online, please visit [www.jobs.harvard.edu](http://www.jobs.harvard.edu) and search for requisition # 37767.

Thank you.
